

REQUIREMENTS- Transport of LPG in Bulk

1. Scanned original copy of CR 12 from registrar of companies (not older than three months) for Limited Companies;
2. Scanned original copy of valid tax compliance certificate from KRA;
3. A valid certificate of calibration for the LPG tank mounted on each vehicle
4. Fire certificate from the Chief Fire Officer
5. A Valid report on examination for LPG tank mounted on each vehicle
6. A valid Motor Vehicle Inspection Certificate for each prime mover and trailer
7. Log books for each prime mover and trailer
8. Valid Medical Surveillance certificate for Drivers from Designated Health Practitioners as per Occupational Health and Safety Act 2007
9. A valid driving licence for each driver

Kindly note that Petroleum Business Licenses (Except LPG) are applied online through the ERC Portal which is accessed through the ERC Website's Online Services (www.erc.go.ke) or going through <https://portal.erc.go.ke:8443/#> and following the procedure below:

1. Log in to the portal using your provided username and password
2. Click License Renewal
3. Go to "My Licenses"
4. Got to "ERC Licenses/Permits"
5. Click "Renew" alongside the expired license
6. Attach the required documents as per below provided table for each category of license (i.e. LPG and Except LPG)
7. Submit your application.

Licence processing period, duration and charges:

Licensing is done through the Petroleum Licensing Committee of the ERC in accordance to the requirements of the Energy Act 2006 and applications for licences are evaluated within 30 days from date of receipt of such applications. A licence issued under the Energy Act 2006 is valid for one calendar year and all Petroleum Licences issued by ERC are free of charge.
